6 UNITED STATES DISTRICT COURT
7 WESTERN DISTRICT OF WASHINGTON
8 AT SEATTLE

9 UNITED STATES OF AMERICA,

10 Plaintiff,

11 v.

12 RODERICK EARL VANGA,

13 Defendant.

Case No. CR22-132RSL

No. CR11-246RSL

ORDER DENYING
DEFENDANT'S MOTION
FOR EARLY
TERMINATION OF
SUPERVISED RELEASE

14
15 This matter comes before the Court on defendant's "Motion for Early Termination of
16 Supervised Release" (Dkt. # 197). The Court, having reviewed the motion, records, and files
17 herein, as well as the relevant factors set forth in 18 U.S.C. § 3553(a), DENIES defendant's
18 motion.

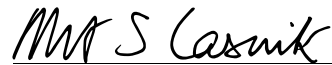

19 "[A]fter considering a subset of the sentencing factors set forth in 18 U.S.C. § 3553(a), a
20 court may terminate a term of supervised release 'if it is satisfied that such action is warranted
21 by the conduct of the defendant released and the interest of justice.'" *United States v. Emmett*,
22 749 F.3d 817, 819 (9th Cir. 2014) (quoting 18 U.S.C. § 3583(e)(1)). "The expansive phrases
23 'conduct of the defendant' and 'interest of justice' make clear that a district court enjoys
24 discretion to consider a wide range of circumstances when determining whether to grant early
25 termination." *Id.* (quoting 18 U.S.C. § 3583(e)(1)).

26 Here, while the Court commends defendant's excellent compliance with the terms of his
27 supervised release, it concludes that both he and the interests of justice will be well-served by
28 ORDER DENYING DEFENDANT'S MOTION FOR
EARLY TERMINATION OF SUPERVISED
RELEASE - 1

1 completing at least eighteen months of his three-year term of supervised release.¹ *See* Dkt. # 199
2 at 4 (explaining that defendant began his term of supervised release on June 9, 2022); Dkt. # 153
3 at 3 (sentencing defendant to a three-year term of supervised release).² If Mr. Vanga maintains
4 his performance through the end of December 2023, the Court will entertain a renewed motion
5 for early termination of supervised release.

6
7 IT IS SO ORDERED.

8
9 DATED this 6th day of July, 2023.

23 ¹ To the extent defendant argues that he has been “violation free” for “three years of active
24 supervision,” Dkt. # 197 at 2, the Court disagrees. The Ninth Circuit has explained that a “prisoner’s
25 term of supervised release does not begin when he is on home confinement while still serving his federal
26 sentence, because he remains in BOP’s legal custody during that time.” *United States v. Earl*, 729 F.3d
27 1064, 1066 (9th Cir. 2013). However, the Court considers defendant’s successful performance on home
28 confinement as part of its broader analysis under § 3583(e)(1).
